

OSSF ASSISTANCE PROGRAM

Outreach Night

Mathis Public Library / 103 Lamar St. Mathis, TX 78368

Wednesday, October 9th 2024 from 6:00 to 7:00 pm.

Septic System free inspection program

The Nueces River Authority will provide a 1-hour workshop regarding the proper operation & maintenance of a septic system. The Nueces River Authority staff will distribute education materials about the need & benefits of proper septic system function and its connection with the health of our watersheds.

This meeting is not mandatory, it's for your information.

The Project Manager will give an overview of how this program can provide an inspection to repair or replace a septic system that is failing, free of charge to the homeowner. At the end of the meeting there will be time for Q/A. This program is open to homeowners that live near the Lower Nueces River.

ARTICLE 3. ACKNOWLEDGMENT OF FINANCIAL SUPPORT

The Performing Party shall acknowledge the financial support of the TCEQ and the U.S. EPA whenever work funded, in whole or part, by this Agreement is publicized or reported in news media or publications. All reports and other documents completed as a part of this Agreement, other than documents prepared exclusively for internal use within the TCEQ, shall carry the following notation on the front cover or title page:

PREPARED IN COOPERATION WITH THE
 TEXAS COMMISSION ON ENVIRONMENTAL QUALITY AND
 U.S. ENVIRONMENTAL PROTECTION AGENCY

This project has been funded wholly or in part by the United States Environmental Protection Agency (under assistance agreement number) to Texas Commission on Environmental Quality. The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does the EPA endorse trade names or recommend the use of commercial products mentioned in this document.
